Commissioner for Patents

A review of the amendment filed on August 27 2003, contains a clean copy of the pending claims 1-22, wherein claim 17 was incorrectly numbered as claim 18 in the "marked up" copy filed on May 24, 2001 and which is acknowledged by the examiner.

Upon reviewing the claims, it is noted that the claims (specially claim 1) still does not match with the finally rejected claims and also submitted in the Appeal brief of dated 12/24/02 because claim 1 is presented as the after final amendment filed September 30,2001, which is not entered.

In order to resolve the confusion mentioned in the previous office communication, Applicants only mention that claim 18 at page 31 of the "marked up copy" is incorrectly numbered but did not mention any solution of the "marked up" version of claims 15-20 at pages 28-29 and another set of marked up version of claims 15-20 at pages 30-33 filed on may 24, 2001.

It is noted that the "marked up" copy should numbered claims 15-20 at pages 28-29 as claims 9-14.

It is suggested that applicants should resolve the confusion with the above mentioned "marked-up" copy.
